*Rafting, Kayaking, SUPing, Fishing*  
*Est. 1969*

**The Internship Program** at Dvorak Expeditions is a whitewater rafting, kayak & fishing company is seeking qualified university students looking for practical office, marketing, and guiding experience with a leading outfitter. Candidates for an internship in these fields with DVK must submit a resume and cover letter detailing their interest in this position, as well as personal and employer references.

The persons qualifying for these internships should have superior academic work habits, strong written and verbal communication skills, and confidently be able to describe themselves as a self-starter who knows how to take the initiative with various projects. Ideally, the interns will have room and board provided and the start date will require a minimum of 12 weeks.

DVK is prepared to supply housing, attendance to our whitewater guide course in May and other attractive benefits, as well as excellent real-world experience in the whitewater outfitting industry. The internships will offer practical experience in a variety of administrative functions, including general office duties, writing, research & analysis, online marketing, blogging & social media, sustainability practices and special events planning. DVK is qualified to work with a candidate's academic institution to facilitate work/study credit.

The internships are open to all majors, especially those with a concentration in tourism management, recreation & leisure studies, communications, marketing, sustainability, and outdoor education. Interested individuals should submit a resume and cover letter by email to [info@dvorakexpeditions.com](mailto:info@dvorakexpeditions.com). Questions about this program should be sent via email, as opposed to calling. We look forward to hearing from you!

If you are interested in the Guide School Training and to work as an apprentice guide these details will get you started in that process. More information can be requested to further outline the responsibilities and job description. Contact us per your requests. (719) 539-6851 worldwide.
